# Vinyl-Poly Wood Combination Arbors

The classic styling of these wood alternative structures complements your garden's natural style and adds an elegant focal point to any walking path.

**Flanking Bench Arbor (Item #38)** (Optional wooden top) (Approx. 20' x 10' x 8' high)

**Banking Heights Arbor (Item #39)** (Optional wooden top) (Approx. 20' x 10' x 8' high)

The Countrywide Home Collections has been created by our designers using the long-lasting benefits combination of poly lumber and vinyl against rotting wood. This outdoor structure allows us to not only provide classic styles which are strong and durable, but they are also 100% maintenance free.

- They adhere to environmentally friendly. The majority of the material is made from recycled plastic.
- The vinyl will not fade, is UV resistant to avoid of the color to prevent a stain, the most common cause.
- They bring their great appearance to every space. Available staining can be done with spray water and a soft bristle brush.

### • Arbors •

Each kit comes with everything necessary for installation and can be easily completed by one person. Fasteners (screws and bolts) which come included with the arbor, some kits also require the use of a construction adhesive. Assembly time generally takes 15-30 minutes depending on the model purchased. Each kit is made of treated lumber.

### • Material •

The material used is all premium grade (C&D) pressure treated pine and will stand other treatments. Your structure is ready to be stained or painted upon delivery and can be finished to your liking (solid bright color staining, or it can be left unstained if left unstained, it develops a silver gray appearance. It will resist moisture, insects and fungus damage, and look great for years of service.

# Pergola Kits

## Countrywide Free-standing Pergola

Countrywide model  
60 years

6'0" Wide 4'0" High  
6'0" Wide 6'0" High  
6'0" Wide 8'0" High  
8'0" Wide 6'0" High  
8'0" Wide 8'0" High  
10'0" Wide 6'0" High

### Important Kit Information

1. All kits are given an opening between the posts. The top measurement of Countrywide kits is approximately 6" greater than post spacing. Example: 6'0" top measure would be approximately 5'11" x 5'11".
2. Overall height is 6'0" inches.
3. Custom designed lattice construction can be ordered for most pergolas. Not every color available for every configuration.
4. Pergola anchor kits must be ordered separately.

## Countrywide Wall Mount Pergola

Countrywide model  
60 years

6'0" Wide 4'0" High  
6'0" Wide 6'0" High  
6'0" Wide 8'0" High  
8'0" Wide 6'0" High  
8'0" Wide 8'0" High  
10'0" Wide 6'0" High

### Custom Size Pergola Kits

We will gladly make any width, length, or wall-mount pergola kit you wish. Widths between 12 and 20' require a special license. Widths 12' and less may require additional posts. Not every color is available for every dimension.

For all wall-mount kits please provide depth measurements needed to secure brackets wall and floor. Level of ground and weather measurement information to assist in angle of floor joists required for every dimension.
